During the past year the Cathedral underwent significant exterior renovations and improvements to the Rectory. The Cathedral hosted the Centennial celebration of the Archdiocese in November. In addition, the Cathedral host various meetings, retreats, workshops and talks throughout the year, both for the internal mission of the community and for the Archdiocese. The Cathedral anticipates hosting the upcoming youth retreat on November 11, and a seminar for clergy and parish leadership concerning the local drug abuse crisis.

Respectfully Submitted, Archpriest Michael Senyo
